

AOSpine Mentorship Scheme - Education

Mentor Profile

| | |
|---|--|
| Family Name | Fisher-Jeffes |
| First Name | Norman |
| Country of residence | South Africa |
| Speciality (pathology based, if applicable) | Degenerative spine |
| Name of centre/hospital/university where the mentee would join for the 3 month face to face experience | Panorama Medi Clinic Rothschild Boulevard Panorama Cape Town South Africa |
| Name of second centre/hospital/university where the mentee would join for the 3 month face to face experience (if applicable) | |
| Please provide a short statement outlining your reasons for joining the AOSpine Mentorship Scheme as a Mentor | Training in spinal surgery not up to standard in many units in Sub-Saharan Africa. Not always easy for young surgeons to identify / link up with mentor. Need to facilitate a system where young surgeons feel able to draw on knowledge experience of colleague who can advise / guide / discuss problem cases, best management approach etc. |
